

Here's how it works:

The winter reading program requires a minimum amount of reading time for participants to be eligible to be entered in the grand prize draw. The more you read, the more entries you earn.

Children 9 yrs of age and under: 3 hours

Children between 10 and 13: 5 hours

Teens, adults, & seniors: 7 hours

From January 1, 2021 to February 28, 2021, record your reading time.

Books, eBooks, magazines, newspapers, books read to your kids or family and/or audiobooks all count.

Record, total, and return your log (or log online) to be entered prize drawing.

Keep reading!
